

12th November 2007

Dear Max and Fiona,

I thought I would just let you and all local businesses know how pleased I was with our results in 2006 and especially in 2007.

Our salon in Leeds received so many coupons in 2006 and this year that I had no reservation in re-signing with yellowtom.co.uk/leeds.

Being able to actually see how many page views our advert had had was invaluable and the fact that they will now be available whenever is fantastic.

I would strongly recommend all businesses to join yellowtom.com, it really does work!

Yours sincerely,

Laura Nair
