The Appliance Specialist

20th October 2007

Dear Max and Fiona,

Just wanted to say how pleased I was with the alterations you made to our advert once we had decided to renew our advert on the [yellowtom.co.uk/leeds](http://yellowtom.co.uk/leeds) website. It was refreshing to have someone make such changes very quickly.

Our search engine exposure and local exposure has been impressive and the fact that we received many coupons over the past 8 months since you took over the site has greatly impressed me.

I would recommend Yellowtom Leeds to all businesses.

Yours,

Dean Lock
