

5th July 2007

Dear Max and Fiona,

Just wanted to drop you a line to say how much I am looking forward to our continuing success into 2007 and beyond.

When I took the business over, I was not even aware we had an advert on your site which wasn't helped by poor customer care from the previous owners of your site but our recent meeting enabled me to fully appreciate the efforts you were making to obtain us some fantastic exposure in the search engines, especially google. The visual proof I was shown of the exact page views our advert had generated was highly impressive.

For any local business wishing to either gain internet exposure or to merely reduce their current advertising outgoings, I would strongly recommend yellowtom.co.uk/leeds.

Yours truly,

Rob Brown
