Dear Max and Fiona

I am writing to thank you both for all efforts to date.

From my initial contact with Yellowtom, Max came out within 48hrs and gave a comprehensive overview of what I would receive for my investment, with no pressure sales of any kind. The advert shortly followed on what I can only describe as one of the clearest, well designed and easy to use sites of its kind.

We have been in contact by e-mail on a regular basis to amend and update our advert, this has always been carried out promptly.

I would recommend Yellowtom to anyone looking to promote their business.

Thanks to all those involved.

Regards
