

17th March 2007

Dear Max,

While we were initially unsure if our association with yellowtom.com would continue prior to our meeting last week, we would just like to say that we were very happy with the conversations we had.

You explained your situation very well and we were left in no doubt that staying on your site would be of benefit to us.

The changes we requested for our advert were subsequently carried out efficiently and are a dramatic improvement from the previous one.

It was also pleasing to know that we are dealing with a company that actually cares and will do their utmost to bring us more customers. We look forward to a successful 2007 season with you.

Many thanks,

Chris & Julie Simpson
