Dear Peter,

Thanks for all the effort in designing and activating the ad for SGS, it looks great and has brought about a response that even I wouldn't have dared to expect....FANTASTIC!
I have received over £10,000 worth of business from the site, the advert has paid for itself time and time again.

I hope my work looks as good as yours!! I look forward to seeing the new ad in the mailing brochure going out soon.

Once again, many thanks,
Pete, SGS
